

24th Annual Northwest Stone Sculptor Symposium

Dear ----- Date -----

Thank you for planning to attend the NWSSA Symposium. Your registration and payment of -----
-----has been received. The balance due is \$----- . If you have forgotten to include your \$70.00
cheque for your annual dues please pay them on line or mail them to the office.

Upon your arrival, go to **Warren Hall** (there will be signs out if you are new) sign your **release form** and
get your **name tag**. This name tag is also your **meal ticket**. Your **guests**, should you bring them, will be
required to pay for their individual meals at a specified and reasonable rate. You will also be given your
room assignment or be shown where the tenting area is, whichever applies.

You will be assigned an appropriate **work space** on the field by the **Field Supervisor**. If you have
requested a **mentor** or volunteered to be a mentor, be sure to contact the **director** to ensure that we
can make this happen. Be sure to read the **What to Bring** section.

The tentative schedule for the week is posted on the NWSSA website. If you are planning to be involved
in **Matt Auvinen's mold- making classes please indicate your interest to the director as there are some
class size and supply considerations that need to be dealt with prior to the symposium.**

Please bring items for the **auction** – one persons' 'junque' is another's treasure, they say. The more
items, the more sales and the more students will have the opportunity to get funding through our Work-
study and scholarship programs in the following years. Our Auction is usually one of the evening
highlights. If you have a sculpture sitting around you would like to donate to the auction bring it and
receive 30% of the proceeds of the sale.

We of the NWSSA are a community of individuals dedicated to all things stone and to those who work it.
There are no dumb questions. If you are new to the symposium then this is the place to learn, if
returning it is the place to get those niggling questions answered. We share most everything in this
community. Bring your thoughts and ideas to meal times. The conversations are always interesting and
it is a chance to get to know others in a safe and creative environment
